Valencia Water Company, Inc. ("Valencia") hereby gives notice that it is filing the affidavit of Cindy Liles, the Secretary and Treasurer for Valencia. Ms. Liles provides information related to Valencia's actual and projected capital structure from December 2006 through December 2014. This affidavit is being filed to comply with Decision No. 68336, which required such an affidavit as one condition for approving the authorization to issue long-term debt to the Water Infrastructure Finance Authority ("WIFA") in an amount not to exceed \$2,831,000. As shown in the affidavit and the accompanying table, Valencia does not plan to issue any more debt to WIFA and intends to pay back the \$181,843 in debt Valencia had previously issued before the end of December, 2007.

RESPECTFULLY SUBMITTED this <u>3</u> day of March 2007.

IN THE MATTER OF THE APPLICATION OF

VALENCIA WATER COMPANY, INC. FOR AUTHORITY ISSUE DEBT.

Docket No. W-01212A-05-0606

Cindy Liles, having been duly sworn, deposes and says:

- 1. My name is Cindy Liles. I am over 18 years old, and I am a resident of Maricopa County, Arizona.
- 2. I am the Senior Vice President and Chief Financial Officer for Global Water Resources, LLC ("Global Parent"). I am also the Secretary and Treasurer of Valencia Water Company, Inc. ("Valencia"). I have significant experience managing the financials of water, wastewater, and reclaimed water utilities.
- 3. I am familiar with the condition in Decision 68336 (December 9, 2005) requiring that certification be filed annually in the form of an affidavit of Valencia's current and prospective capital structure.
- 4. Attached to this affidavit as Exhibit 1 is a spreadsheet that was prepared under my direction, showing the actual and projected capital structure for Valencia. That spreadsheet shows that the percentage of equity as part of Valencia's total capital as of December 2006 was 8.27% equity (\$1,608,048); debt from the Water Infrastructure Finance Authority ("WIFA") comprised 0.93% (\$181,843); and advances-in-aid-of-construction ("AIAC") comprised 90.80% (\$17,664,484). Equity consists of (1) Stock and Paid in Capital; (2) Current Year Net Income; and (3) Retained Earnings.

- 5. The spreadsheet also shows the projected total capital by December of 2014; equity, as a percentage of total capital, is expected at this time to be 45.06% (\$31,058,935); and the remaining amount of total capital 54.94% (\$37,865,390) is expected at this time to be AIAC.
- 6. Total capital is expected to be \$68,924,325 by December, 2014, from \$19,454,375 as of December, 2006.
- 7. It is anticipated, at this time, that Valencia will not issue any additional debt to WIFA and will also pay back the \$181,843 that was outstanding as of December, 2006, before the end of December, 2007. So, the percentage of debt as part of Valencia's total capital is expected at this time to be 0.00% by the end of 2007, and remain at 0.00% through December of 2014.
  - 8. I attest that this information contained herein is true and accurate.

Further affiant sayeth not.
